

DEADLOCK ON NAVAL BILL IS BROKEN

CONFEREES AGREE TO LOP OFF ABOUT NINETY MILLIONS

Ninety Eight Millions Had Been Added to the Bill by the Senate—The House Gets Right to Vote Directly on Borah Disarmament Amendment—Five Millions Increase

(By The Associated Press)

WASHINGTON, June 21.—The deadlock between the senate and house over the naval appropriation bill was broken today by conferees with a virtual agreement to lop off about ninety million dollars of the ninety eight million dollars added to the bill by the senate and with the right of the house to vote directly on the Borah disarmament amendment—Five Millions Increase

(By The Associated Press)

DENVER, Colo., June 21.—The debate started when the resolutions committee reported a substitute for the four resolutions introduced by Irish sympathizers which ignored the effort to initiate a boycott against British manufacturers and imports.

The committee's report disposed of the Irish question by asking the convention to affirm its sympathy for the Irish cause by urging recognition of the Irish republic and by urging trial and punishment for British army men guilty of atrocities in Ireland. Cornelius Foley, delegate from the Barbers' Union took the floor, reading a telegram from Harry Boland, secretary to Eamon de Valera, which said:

"The organization (Federation) is looking on to do something for Ireland. We want the boycott or nothing."

Boycott On British Goods

Christian M. Madsen of the Chicago Federation of Labor moved to amend the committee's report, by adding a clause calling for a boycott by American Labor against British goods and British companies as long as the British government maintains its barbarous and destructive policy in Ireland.

A point of order was raised that this could not be introduced because it was part of resolutions rejected by the committee. President Gompers sustained the point and adjourned the convention while several delegates were struggling for recognition.

The resolution reported was virtually identical with one submitted by a committee of Irish sympathizers, headed by Peter Brady of New York, except that some of the more drastic phases were omitted. The committee also struck out a paragraph demanding that President Harding, his cabinet and congress take necessary steps to demand from Great Britain the defaulted interest and loan due the United States and now used in part to promote the campaign in Ireland.

It was said that when the conference report was in the house the way would be opened for parliamentary battles, but it was stated that the agreement reached today was based upon the clear understanding that senate managers, in agreeing to wholesale reductions did so upon condition only that the Borah proposal should not be back tracked.

Five Millions Added

When the naval bill passed the house it carried approximately three hundred and ninety-six million dollars. It will come back, according to authentic reports with about five million dollars added, but with the understanding that house managers will not oppose certain other items which would run it up a few million more.

Exact figures were not available but it was said that when the bill is presented to the house, it will show all but from eight to twelve million dollars of the ninety-eight million dollar senate increase stricken out.

**STEPS BEING TAKEN
BY BOARD OF TRADE
TO AMEND ITS RULES**

Will Eliminate Features Objectionable to the Farmers

(By The Associated Press)

CHICAGO, June 21.—A campaign against certain features on the Chicago Board of Trade that have been the targets for complaints by farmers' organizations, the state legislature and congressmen was begun today with the appointment of four committees who are to prepare drastic amendments to the board's rules.

The committee were instructed to frame rules to provide against manipulation of the market against overtrading, spectacular trading, and all other trading practices "not in line with good business ethics."

The four committees will deal specifically with manipulation, indemnities, private wires and market censorship. The objectionable features of each are to be corrected or eliminated, it was said by J. P. Griffin, president, who added that all operations tending to have an undue influence are to be regulated.

A statement said it is hoped to abolish indemnities, that the strict censorship of market news is to be increased and the circulation of false and misleading reports is to be followed by punishment by the board of directors.

Trading in futures it was said is not likely to be limited to any period.

**WANTS TO PERMIT CUBANS
TO SHIP IN CIGARS**

Washington, June 21.—A bill to permit Cubans to ship cigars, cigarettes and cheroots into the United States in quantities of less than three thousand, the minimum shipment under existing laws was introduced today by Chairman Fordney of the house

IRISH QUESTION CAUSES DEBATE IN CONVENTION

Labor Delegates Have Hot Fight on Irish Resolutions

(By The Associated Press)

DENVER, Colo., June 21.—The debate started when the resolutions committee reported a substitute for the four resolutions introduced by Irish sympathizers which ignored the effort to initiate a boycott against British manufacturers and imports.

The committee's report disposed of the Irish question by asking the convention to affirm its sympathy for the Irish cause by urging recognition of the Irish republic and by urging trial and punishment for British army men guilty of atrocities in Ireland. Cornelius Foley, delegate from the Barbers' Union took the floor, reading a telegram from Harry Boland, secretary to Eamon de Valera, which said:

"The organization (Federation) is looking on to do something for Ireland. We want the boycott or nothing."

Boycott On British Goods

Christian M. Madsen of the Chicago Federation of Labor moved to amend the committee's report, by adding a clause calling for a boycott by American Labor against British goods and British companies as long as the British government maintains its barbarous and destructive policy in Ireland.

A point of order was raised that this could not be introduced because it was part of resolutions rejected by the committee. President Gompers sustained the point and adjourned the convention while several delegates were struggling for recognition.

The resolution reported was virtually identical with one submitted by a committee of Irish sympathizers, headed by Peter Brady of New York, except that some of the more drastic phases were omitted. The committee also struck out a paragraph demanding that President Harding, his cabinet and congress take necessary steps to demand from Great Britain the defaulted interest and loan due the United States and now used in part to promote the campaign in Ireland.

Reaffirms Montreal Action

The resolution reaffirmed the action of the Montreal convention in supporting the Irish people in their struggle for freedom and for recognition of the Irish Republic instructed federation executive officers and asked all national and international unions to urge the administration officials and all members of congress to immediately pass legislation recognizing the Irish Republic; provided for the sending of a special communication to the British premier protesting against the chamber of deputies campaign of violence in Ireland instructed federation officers to take up with trade unions of Great Britain, her colonies and dominions a proposal to inaugurate a campaign for the trial and punishment of members of the British regular and auxiliary forces guilty of atrocities in Ireland in a manner similar to that in which German officers now are being tried and punished for violation of the rules of war in France and Belgium.

The boycott resolution eliminated by the committee's report was introduced by Irish sympathizers as the official resolution of the Irish Republic.

**DEPLORE EFFORTS TO
CREATE DISCORD**

Chicago, June 21.—Resolutions deplored the efforts of "hyphenates" to sow discord between the United States and its allies in the world war were adopted today at the closing session of the convention of the United States army ambulance service association.

Rey Shelhammer, Chicago, was elected president and W. A. P. Nelson, Battle Creek, Mich., was made a vice-president.

**MAKE SERIOUS CHARGE
AGAINST OFFICIALS**

Chicago, June 21.—The throwing of acid on the ropes used by window cleaners and the loosening of safety devices which resulted in the serious injury of several workers was charged in a suit for \$50,000 filed today against officials of the Chicago Window Washers' Union and the Illinois Association of Window Cleaning Contractors by the Chicago Window Cleaning company.

A conspiracy was charged to drive the latter firm out of business by intimidating its employees.

**EDITOR OF BOSTON
GLOBE IS ILL**

Boston, June 21.—General Charles H. Taylor, editor of the Boston Globe is seriously ill at his home here. He was taken suddenly ill a week ago Monday and had since failed steadily. Little hope was entertained tonight for his recovery.

**PLAN TO DEVELOP
SUBMARINE FOR NAVY**

Washington, June 21.—For the development of submarines as a naval bill to create a new bureau of submarines in the navy department was introduced today by Senator King, Democrat, Utah.

**NEW CABINET FORMED
IN NORWAY**

Christiania, Norway, June 21.—A new cabinet has been formed to replace that which resigned

Saturday.

**PROMINENT DAKOTA
CITIZENS ARE KILLED**

Sioux Falls, S. D., June 21.—E. R. Wynn, assistant attorney general South Dakota was killed and Ole Hoagland, editor of a newspaper at Platte, S. D., was injured, in an automobile accident near Platte last night, according to advice today.

No Writers' Cramp for Him

Governor Edwards of New Jersey signing \$15,000,000 of state bonus bonds for Jerseyites who served in the war. He uses a device that writes 19 duplicate signatures while he writes one.

Will Investigate War Court Martial

WASHINGTON, June 21.—An investigation is to be made by the senate naval affairs committee of the dismissal from the marine corps of Captain Edmund G. Chamberlain, the San Antonio, Texas aviator whose story of participation in a thrilling air battle over the western front was a sensation of the world war.

Authority was granted today by the senate, which adopted a resolution offered by senator Sheppard, Democrat, Texas. The latter in urging the inquiry, described Captain Chamberlain's court martial and dismissal as "another Dreyfus case."

The case of Captain Chamberlain was one of special interest to the military service starting with the published story of his exploits and ending with his dismissal from service with the approval of President Wilson.

Reported Sensational Battle

The marine corps officer claimed that on July 28, 1918, while on a furlough, he visited a British sector, borrowed a British airplane and in a flight over the front lines took part in a battle with 12 German machines. He asserted he destroyed five, damaged two others and, sweeping earthward in his damaged machine scattered a detachment of German soldiers, landed and took a German prisoner by pretending a compass was a bomb and then carried a wounded French soldier to safety.

The story was cabled to the United States by the official committee on public information and recommendations were made that the officer be awarded the American medal of honor and the British Victoria Cross.

Denial of the story by British court martial proceedings, Chamberlain was one of special interest to the military service starting with the published story of his exploits and ending with his dismissal from service with the approval of President Wilson.

**Tells Them the Reason for
Present Business Conditions**

CLEVELAND, Ohio, June 21.—The opening sessions of the fifth international convention of the Kiwanis Clubs today were devoted mainly to welcoming the several thousand delegates and addresses by Roger Babson, Boston statistician and J. Mercer Barnet, international president of the Kiwanis.

Mr. Babson addressed the afternoon session on the "business outlook." He declared no improvement in business conditions may be looked for before 1922. What the country needs more than anything else, Mr. Babson said is the return of the golden ratio to business, value received in every transaction.

Business men believe in the afternoon session on the "business outlook." He declared no improvement in business conditions may be looked for before 1922. What the country needs more than anything else, Mr. Babson said is the return of the golden ratio to business, value received in every transaction.

"Unless something radical is done, it will be two or three years before we again have prosperity. With railway rates up, wages up and everything else up, it is impossible to start prosperity. If railroads would reduce rates, wage workers reduce prices until the six hundred thousand freight cars now idle got filled and moving, we would get started."

In an interview Mr. Babson said the collapse of prices in Wall street is due to the economic situation in Europe. Europe's income from all sources is dependent upon volume of trade, which is falling off every week, he said.

Upon Europe's ability to pay depends our prosperity for some years to come, he concluded.

**GOVERNMENT WILL
PROTECT WITNESSES**

Washington, June 21.—Former service men appearing before the senate special committee investigating government activities relating to them or who furnished the committee information, will be protected from disciplinary measures by the government bureaus.

This decision was reached by the church peace union was signed by 2,053 Protestant ministers, Catholic priests and Jewish rabbis.

**GOVERNMENT MAKES
RELIEF APPROPRIATION**

Berlin, June 21.—The Prussian government has appropriated one hundred million marks for the relief of Germans in Upper Silesia,

DEPARTMENT OF JUSTICE PLANS TO PROSECUTE

Will Ask \$250,000 to
Press Profiteer Cases
Thruout Country

(By The Associated Press)

NEW YORK, June 21.—The department of justice plans to ask congress for \$250,000 to press prosecution of 1,500 individuals and corporations alleged to be involved in nationwide combinations revealed during the building trust inquiry conducted by the Lockwood legislative committee.

This was learned today after a conference between First Assistant U. S. Attorney-General Goef and Samuel Untermyer, committee counsel, arranged after Mr. Untermyer recently censured the department under the last administration for failing to follow up lines opened by him.

Nationwide Investigation.

Washington, June 21.—Nationwide investigation into the activities of open price associations, Attorney General Daugherty announced today, had resulted in establishing a case against one organization in New York. Suit will be filed by the government against the association within a few days he added.

Mr. Daugherty withheld the name of the concern to be made defendant but declared the case was involved in the investigations of the Lockwood committee into the New York building situation. The government, he said, would ask a restraining order to require the organization to desist from its alleged unlawful practices. Mr. Daugherty said he had not decided whether it would be necessary to ask congress for additional funds to carry on the prosecution of open price associations.

In the case of the Southern Pine association now pending before the St. Louis courts Mr. Daugherty said, the department had decided to wait the decision of the supreme court in the hardwood case before pressing for a restraining order.

The story was cabled to the United States by the official committee on public information and recommendations were made that the officer be awarded the American medal of honor and the British Victoria Cross.

The court martial recommended Chamberlain's dismissal. He was returned to the United States and, pending review of his case remained under arrest.

**ROGER BABSON
GIVES KIWANIS
MEMBERS FACTS**

Tells Them the Reason for
Present Business
Conditions

(By The Associated Press)

CLEVELAND, Ohio, June 21.—The opening sessions of the fifth international convention of the Kiwanis Clubs today were devoted mainly to welcoming the several thousand delegates and addresses by Roger Babson, Boston statistician and J. Mercer Barnet, international president of the Kiwanis.

Mr. Babson addressed the afternoon session on the "business outlook." He declared no improvement in business conditions may be looked for before 1922. What the country needs more than anything else, Mr. Babson said is the return of the golden ratio to business, value received in every transaction.

What the country needs more than anything else, Mr. Babson said is the return of the golden ratio to business, value received in every transaction.

**WILL THRESH OUT
TARIFF ON LUMBER**

WASHINGTON, June 21.—House Republicans opposed to the proposed tariff duty on lumber decided today to have the matter threshed out at a conference of Republican representatives before the bill reaches the house.

Representatives from 15 states at a preliminary protest meeting arranged for appointment of a committee to sound out sentiment of house members and report results of their investigation to the mays and means committee.

Must Wait Several Years

Mr. Babson proposed a "neutral" Irish state whose inviolability would be guaranteed by, say, the United States and states of the British Empire and any others that could be secured as signatories.

"Free Ireland would never allow its territories or harbors to be made the basis of an attack upon England by an outside power. Mr. DeValera continued. Any pledge Ireland gives, Ireland will keep. With an independent Ireland beside her Great Britain would be more, not less safe than she is from foreign attack."

In an interview Mr. Babson said the collapse of prices in Wall street is due to the economic situation in Europe. Europe's income from all sources is dependent upon volume of trade, which is falling off every week, he said.

Upon Europe's ability to pay depends our prosperity for some years to come, he concluded.

**WILL SPEND SUMMER
AT WEQUETONSING**

Mrs. George E. Matthews and Mrs. Mathilda Coleen have gone to Wequetoonsing, Mich., where they will spend the summer at the cottage of Mr. and Mrs. I. S. Powers of Terre Haute, Ind.

John Lewis is an avowed candidate for president of the American Federation of Labor in opposition to Samuel Gompers. But it is a pretty safe guess that the aged chief will have a heavy majority when the votes are counted. There has been opposition to him before but never of a formidable kind.

R. A. Haynes, the new prohibition commissioner, has made a remarkable appeal for the support and aid of the press. To the newspaper men at Washington, assembled at his request, he said: "I appeal to the editorial and news writer, to the cartoonist, to the reporter, to the scenario writer, to the playwright to lend every aid in law enforcement. The editorial, the cartoon, the news story, the film or the legitimate

Litchfield papers give very complimentary "write ups" of

its traffic accident and usually in the business district. One cause of many accidents is the obstructed view. On some of the street corners in the business district there is no possible remedy except the greatest care and the strict observance of the traffic laws. The increasing number of cars makes it very necessary for the car driver to know the provisions of the traffic laws and to follow them faithfully.

DOUGLAS FAIRBANKS
In the Rip Roaring Comedy Drama**"THE NUT"**

Queer folks was always getting into Greenwich Village—but the queerest was Charlie Jackson, "The Nut." He dressed by machinery—made love with fireworks and waxworks—and dauntlessly followed wherever his sweetheart's hobby led. Her hobby was perfectly innocent and Charlie's intentions were of the highest type yet, in his efforts he nearly asphyxiated some perfectly harmless people, set himself on fire, traveled through the streets in his underwear and with the scanty protection of a billiard suit. Then, still with the highest motives, he tricked his sweetheart. She was resentful and—in the rebound—was caught in the web of a human spider. Then our hero's luck turned—and it was high time. You'll want to find out for yourself how he rescued the girl and punished the villain.

play, which has in it the direct statement or the inference suggesting that the "dry" program is easily violated or should be violated—that it is a joke—is not only harmful in warping sentiment against the enforcement of this one law, but obviously such influence leads to disregard of law in general."

Japan takes a more sensible view of the Yip question than has been supposed, if Jiji, a widely read journal quoted by the Living Age, is representative. Jiji argues that as Yip is useless strategically and of trivial economic importance, it is clear that America "does not entertain any ulterior ambitions or designs," and therefore it ought not to be difficult to bring about "an amicable settlement by direct negotiation between Japan and America."

Many car drivers now prefer the earth streets to some of the pavements. There has not been a time within recollection when these earth streets were in such good condition as now as the result of the extensive program of grading and oiling. Some of the rough pavements have also been greatly improved with macadam patching. This work is made possible from the vehicle license fund.

A GREAT
RESPONSIBILITY.

No officer of the administration below the grade of cabinet member will have more onerous or important duties to perform than the new chairman of the Shipping Board, Mr. Lasker and his associates on the board will have charge of upwards of \$4,000,000,000 worth of public property, more than comes within the jurisdiction of many of the departments. But the stupendous value of the fleet is not the most disconcerting factor in the task. Hundreds of the ships, while they have a book value, are practically worthless and must be disposed of—salvaged would be a better word—for whatever figure they can bring.

Half of the serviceable vessels now lying idle, at huge up-keep costs simply because there is no freight offered for shipment. They must be put into service if possible, but the forces that will put them into use are beyond the control of the shipping board, although the public will be likely to lay much of the blame on that authority.

Mr. Lasker is a courageous man indeed to accept these responsibilities, and his patriotism should earn for him the support of the country.

EVANDA POTTER IS
BRIDE OF GAIL RANSON

Wed. Tuesday Morning at Home
of Bride's Parents

At 10:45 o'clock Tuesday morning Miss Evanda Potter became the bride of Gail B. Ranson in a simple ceremony performed at the home of the bride's father, Mr. C. W. Potter, southwest of the city. The ceremony was performed by the Rev. G. T. Wetzel and only the relatives of the young people were present.

Just before the wedding Miss Mildred Ranson, sister of the groom, sang "I Love You Truly." Miss Fern Potter, sister of the bride, played the Wedding March from Lohengrin as the bridal couple took their places before a bank of ferns and white lilies, and an American Flag draped in the background.

Following the ceremony a delicious wedding breakfast was served to the guests.

The bride is the daughter of Mr. C. W. Potter, and is a popular young lady among her friends in the Lynnhurst neighborhood, where she has always resided. Mr. Ranson is the son of Mr. and Mrs. E. A. Ranson, southwest of the city. During the war he saw service in the United States Navy. He is now employed at the state auditor's office in Springfield, where the young people will make their home in the future.

BOY SCOUT TROOP IN
CAMP AT MEREDOSIA

Members of Troop No. 4 Spending
the Week at Rotary Club House
—The Daily Schedule.

Meredosia, June 21.—Twenty-three members of Boy Scout Troop No. 4 and John Hackett of Troop No. 2 arrived in Meredosia Monday morning for a week's stay at the Rotary club house. Mr. Hackett is to be in general charge of the boys, superintending their games and water sports. The troop has been divided into four groups, the older boys being responsible for the group.

Edward Culvah has caught the largest fish so far, this member of the finny tribe measuring 18 inches in length. There was a very high wind blowing white the boys were in swimming Monday afternoon but it was pleasant notwithstanding this feature. Heine Goheen was the first boy to merit punishment and was given five blows from the "slapstick."

The daily schedule is as follows:

6:00 a.m.—Get up.
6:30—Dip in the lake.
7:00—Breakfast.
7:30—Devotions and round table.
8:15—Camp duties.
8:45—Inspection of "slapsticks."
9:00—Games, hikes, fishing.
10:30—Swimming.
11:30—Assemble.
12:00—Dinner.
1:00—Relaxation.
2:00—Boating, fishing, hikes, etc.

4:30—Swimming.
5:30—Assemble camp.
6:00—Supper.
6:45—Games, follow leader, boat rides.
8:30—Camp fire.
9:00—Taps.
10:00—Lights out.
10:30—Quiet.

The number of blows from the "slapstick" which are administered for various offenses is shown in the following:

Asking foolish questions—2.
Bothering cook—2.
Holding screen open—3.
Disobeying rules of camp—5.
Disobeying group leader—3.
Delaying meals—5.
Not meeting inspection requirements—5.
Special punishment—10.

Mrs. Frank Zirkles from east of the city spent the day with her sister, Mrs. Otis Taylor on South East street yesterday.

Mrs. Ida Deere of Franklin was a shopper in the city Tuesday.

Miss Irene Smith, who is employed at Waddell's is enjoying a week's vacation.

Among Meredosia women who were in attendance at the W. C. T. U. meeting yesterday were: Mrs. Lottie Berger, Mrs. Eva Hyde, Mrs. James Galloway and Mrs. George Unland.

Mr. and Mrs. Arthur Taylor and family and Miss Lucie Mount motored to Concord last evening and had dinner with Mr. and Mrs. Frank Brown.

Dr. and Mrs. W. L. Frank and children have returned to the city after spending the week end at their cottage at Wilcox Lake.

H. E. Million was in the city yesterday from Murrayville.

Mrs. L. L. Rutherford and daughter of Riggston spent Tuesday in Jacksonville.

Charles Blood of St. Louis was in the city on business yesterday.

Mrs. Arthur Bush, Mrs. Clarence Quintal and Mrs. Merrick Sampson were Tuesday shoppers here from Winchester.

Misses Edith, Nellie and Nettie Mrs. J. H. Zard of Perry spent the day with friends in the city yesterday.

W. T. Clarkson and family of West College avenue are being visited by Mrs. Lena Anson and

son, Raymond, of St. Louis. Mr. Clarkson's mother, Mrs. Louisa Clarkson, expects to make Jacksonville her home from now on.

Mr. and Mrs. W. R. Johnson of Winchester have just returned to their home after a pleasant two weeks' motor trip to Kansas City. Freeman were local callers yesterday from Meredosia.

I. T. Dunlap has returned from a trip to Springfield.

Mrs. William Waltrip helped represent Roodhouse in the city yesterday.

C. M. Lindsey was down to the city from Litterberry yesterday.

Miss Rose Ludwig was a city arrival from Alexander yesterday.

Mrs. Verdin Gibbons was traveling from Roodhouse to the city yesterday.

Misses Emma and Lilly Flynn, daughters of Jerry Flynn of Buckhorn.

William Johnson of Alexander was one of the city's callers yesterday.

Miss Martha Stults, who completed a secretarial course at Brown's Business college here last week, has returned to her home in Palmyra. She is planning to take a position in St. Louis.

LARGEST CROWD IS
PRESENT AT REVIVAL

The tent revival meeting on South Main street is having remarkable success. Tuesday night witnessed the largest crowd of any evening during the meeting.

The program included two vocal musical numbers, a duet by the Misses Myrtle Shaw and Marie Shaw, and a solo by Miss Meda Kumle.

Evangelist Linton preached from the text, "What I Have Written, I Have Written," spoken by Pilate.

Misses Edith, Nellie and Nettie Mrs. J. H. Zard of Perry spent the day with friends in the city yesterday.

W. T. Clarkson and family of West College avenue are being visited by Mrs. Lena Anson and

MRS. GALBRAITH DIES
AT PINE BLUFF

Funeral of Former Resident Will be Held Here Thursday.

A message received yesterday

brought to Mrs. Charles Price and Mrs. Frank Byrns news of the death of their sister, Mrs. Robert M. Galbraith, of Pine Bluff, Ark.

Death came to Mrs. Galbraith at 9:30 o'clock Monday night at her home, following a long period of illness. The sisters of the deceased had in recent weeks spent some days with her in Pine Bluff and while they knew of her illness, the sudden ending of her useful life was not expected.

Mrs. Galbraith before her marriage was Miss Ophelia Smith and she was the eldest daughter of the late Abram and Mary Smith, prominent among the earlier residents of this city.

After attending the public schools of Jacksonville she graduated from the Athenaeum. In

this city on Sept. 8, 1870, the deceased was united in marriage to Robert M. Galbraith. Shortly afterward they removed to Wyoming, where the earlier years of their married life were spent. For the past twenty-five years they

have been residents of Pine Bluff and during that period have been ranked among the best known residents.

Mrs. Galbraith was a woman of especially kindly spirit and her desire to serve the members of her family and her friends as well as all others who were in need of friendship gave her a high place in the affections of a large circle.

As a member of the Presbyterian church in Pine Bluff she was interested in the various departments of the church work and lived in a way which entitled her to the admiration and good opinion of all.

Mrs. Galbraith is survived by her husband and three sons; Ernest and Oliver of Pine Bluff and Edwin of Little Rock, Ark. She leaves also two sisters, Mrs. Charles Price and Mrs. Frank

of this city. There are six grandchildren.

The members of the funeral

party will arrive in Jacksonville

at noon today and the funeral

service will be held at 10:00 o'clock Thursday morning at the old home, 404 East State street,

the residence of Mrs. Price. Interment will be made in Diamond Grove cemetery.

OVERLAND TRAVELERS

PASS THRU CITY

An interesting trio of ladies drove into the city Tuesday evening in a Studebaker car on their way from Los Angeles, Cal., to Rochester, New York. They were Mrs. Mary Daisy, Miss A. Enright and Miss E. Z. Bell. They carried a camping outfit which they had used for most of their trip. They stated that during their whole journey they had had only one puncture, and no other trouble.

The reporter ascertained that two weddings are to take place upon their arrival at Rochester, and wished the travellers a successful journey, both to Rochester, and thence.

CAR AND BUGGY COLLIDED

A collision between a car and a buggy occurred about 4:45 o'clock Tuesday afternoon at the corner of West and Court streets. Mrs. Sidney Bond and others were driving west in a car when they struck and overturned a buggy occupied by Mrs. Edward Nunes and son.

The buggy was damaged to some extent and the occupants were badly shaken up. They were taken to their home in the Bond car and were apparently uninjured. It was a fortunate escape all around.

The deceased was fifty-three years of age at the time of his death. He leaves a wife, one son Russell and a daughter, Louise Green. He leaves also one brother, E. M. Green of Chicago and four sisters, Mrs. W. H. Strang, White Hall; Mrs. W. T. Pearce, Mrs. Alice Wallace and Mrs. R. H. Walton of Manchester.

It is probable that the remains

will be brought to Manchester for interment, altho no further particulars have been received.

Wayne Staley of Springfield is visiting Stanley Funk at his home just west of town.

Frances, Lucille and Orville Vaniter of Chapin are visiting at the home of their cousin, Mrs. George Cooper.

Miss Ethel Clark returned Monday evening from Chicago, where she has been teaching the past year.

Mr. and Mrs. John Duncan and daughter, Hazel drove to Palmyra and spent Sunday with their niece, Mrs. Charles Mahon, and family.

The W. W. girls of the Baptist church will give a play, "Nothing but the Truth," Saturday evening.

The cast includes a number of talented young people and there is every indication that the production

will be one well worth witnessing.

Mrs. George Leighton is confined to her home by a lame foot.

Some time since Mrs. Leighton

had the misfortune to have a needle imbedded in her foot and for a considerable period it gave her no trouble. Lately, however, she suffered greatly and it was necessary to have the needle removed.

CIRUIT COURT NEWS

The jury which heard the evidence in the suit of Edward Goldstein vs. Henry S. Greenstone,

brought in a verdict Tuesday afternoon finding in favor of the complainant and fixing the amount of indebtedness at \$481.60.

The jurors in the case are H.

J. Capps, W. C. Brune, T. N.

Walsh, Jr., C. O. Bayless, L. R.

Gray, G. B. Hoffman, G. S. Kill-

am, I. L. Sears, F. H. Cogswell,

Charles Goodey, L. E. Liter and

Charles Keefe.

At the conclusion of this case

the hearing was begun on the suit

of Vernon Baker vs. the Chicago &

Alton and C. B. & Q. railroad.

This damage suit is the result of

a stock shipment made by Mr.

Baker in which a valuable mule

was crippled.

It costs very little to keep

it at working heat and it

does away with miles of

walking to and from a hot

stove.

KEPLINGER WILL
IS PLACED ON RECORD

Property of Well Known Banker
Divided Among Children.

The will of the late Hardin G. Keplinger was placed on file Tuesday in the office of County Clerk G. L. Rigs. The document bears date of Feb. 23, 1915, and M. B. Kenlinger is named as executor. The witnesses to the signatures are F. T. Miller, and Lou Duncan.

Mr. Keplinger willed 120 acres of land and \$19,500 to his daughter, Mrs. W. T. Dodsworth. Eighty acres of land and certain lots in John Wyatt's addition to Franklin, together with the interest the testator had in the Franklin bank are bequeathed to the son, M. B. Keplinger. To another daughter, Mrs. Ada Shepherd, the testator bequeathed certain lots in W. H. Scott's second addition to Franklin together with the sum of \$36,000. The remainder of the property is to be divided equally among the children.

The will of the late Hardin G.

Keplinger was placed on file

TOLEDO GETTING

READY FOR MOOSE

Making City Veritable Garden of Flowers for 33rd Annual Convention to Begin June 27.

TOLEDO, O.—This city is being made into a garden of flowers to welcome the 33rd annual international supreme convention of the Loyal Order of Moose here on June 27.

A campaign started here several months ago had as its slogans "Plant Flowers in Every Spot Where Flowers can be Made to Grow," and "Welcome the Moose with Flowers." As a result flower planting has become almost a mania with the citizens.

While the Loyal Order of Moose will take up the majority of their time during the convention with play, they also will devote quite a lot of time to real business. Secretary of Labor James J. Davis, who is the Supreme Dictator of the Moose will deliver an address, as will also numbers of others, prominent in Moose circles.

The entertainment planned is on an elaborate scale. A Moose grill will be given on July 27, the entertainment being along the lines of the dinners of the Gridiron club of Washington.

For the first time children under 12 years of age will conduct a lodge meeting and initiate 100 children. This will be known as the Junior Chapter of the Moose.

A gorgeous water pageant on the Maumee river will be held on June 29 while the annual Moose parade of visiting lodges will furnish the grand finale of the entertainments.

WILL RELEASE

CERTAIN REVENUES

Peking—(By A. P.)—As a result of a conference in Tientsin between Gen. Tsao-Kun, military governor of Chili, Honan and Shantung, Gen. Wong Chan-yuan, military governor of Hupeh, Premier Chin Yun Peng, Finance minister Chaw Tze-chi, and other, the provinces in question have agreed to release a portion of the wine and tobacco revenues due to the central government and hitherto withheld for payment of arrears of pay to troops and military establishments in order to tide the government over its present financial difficulties. Arrears to troops will be paid in installments spread over a period of time.

It has been announced that no military undertaking against the Canton group is contemplated.

REDUCING COST OF LIVING

Sydney, N. S. W. (By A. P.)—Gradually the cost of living is being reduced in Australia, according to reports received here. Meat is down, butter has dropped and clothing is at prices less unreasonable than at any time in recent years. Shoes are still high, considering they are made from hides that are selling at but one third of the price they brought twelve months ago.

It has been announced that no military undertaking against the Canton group is contemplated.

DRUGISTS OPPOSE

MEDICINAL BILL

Chicago, June 21.—Members of the Illinois Pharmaceutical association in joint convention with the Illinois Pharmaceutical club today declared themselves opposed to the selling of beer by drug stores as opposed to the best interests of the trade. A law to protect the public from incompetent pharmacists was advocated by W. H. Miller of Springfield.

GIRL OF 15 YEARS

SHOOTS MAN TO DEATH

Chicago, June 21.—Guy Depso, of Chicago Heights was shot to death in front of his home today by Lucy Rosati, 15 year old. The shooting was a sequel to the arrest of Depso yesterday on a charge of insulting the girl.

WILL CANCEL JUNE

QUOTA OF IMMIGRANTS

Washington, June 21.—June quotas of immigrants not exhausted during the month will be canceled, it was stated today at the immigration bureau and not carried over into the next fiscal year.

Casper, Wyo., June 21.—The Ohio Oil company today announced a reduction of ten cents a barrel in the price of Mule Creek crude, bringing the new price to sixty cents.

New York, June 21.—Most sugar refiners today reduced their list quotations ten points to 5.50 for fine granulated to lowest level if more than five years.

THE U. S. USCO TREAD

Here is the U. S. Usco Tread, with a long-established standard of service among motorists who have an eye to value, as well as to price. While selling for less than the other tires in the U. S. Fairline line, the Usco has earned a reputation for quality and dependable economy which is not exceeded by any tire in its class.

"Fresh, live U. S. Tires
come direct to the dealer
from his neighboring Factory
Branch."

Which one of your
neighbors gets the
best mileage out of
his tires?

EVERY once in a while you hear a motorist say as he kicks a rear tire with an admiring foot, "there's a lucky tire!" Give him a chance and he'll tell you all about it. And then you'll find that what he calls "luck" is simply his first experience with a quality standard tire.

* * *

It all comes to this—buy a U. S. Tire anywhere in this country and you get definite, predictable value for your money no matter what weight car you drive.

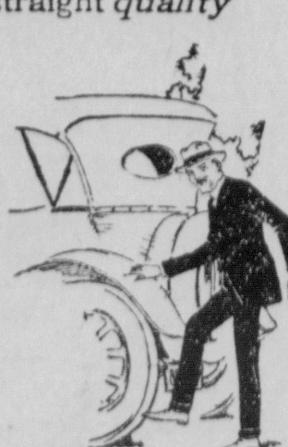

The man who has been guessing his way through "overstocks," "discontinued lines," "job lots" and the like, will find it refreshing to talk with the local U. S. Tire dealer who is concentrating on a full, completely sized line of U. S. Tires.

For the first time he will hear some straight quality tire facts—and get the difference between chance and certainty in tire buying.

The U. S. Tires he sees in stock are fresh, live tires. They come direct to the dealer from his neighboring Factory Branch.

There are 92 of these Branches established and maintained by the U. S. Tire makers.

Giving your dealer a continuous moving stock of new, fresh tires built on the certainty of quality first every time

COMMITTEE TO TALK WATER PIPE EXTENSION

Chamber of Commerce Forum Dis-
cussed Important Question—
Further Facts to be Considered at
Later Meeting.

The first meeting of the forum of the Chamber of Commerce was held Tuesday night with about fifty members present. Dr. J. R. Parker presided. The announced subject for discussion was water main extension. A general statement was made by Mayor Crabtree.

It was the consensus of opinion that everything possible should be done to provide water mains on the streets now without such service and where the service is desired.

Mayor Crabtree said frankly that the city had no way to suggest for the laying of these mains.

R. Y. Rowe, president of the Chamber of Commerce, explained that the standing committee on water extension could make investigation of the kind desired within a short time and then report results of their finding.

General Discussion

Among those who took part in the discussion were C. H. Story, Alderman Lonergan, Simeon Fernandes, John J. Reeve, Thomas Worthington, Joseph Estaque, E. M. Henderson, Rev. W. E. Spoons, H. M. Capps, Alderman McGinnis, Dr. F. M. Rule, and Dr. G. R. Bradley.

Mayor Crabtree quoted from letters from officials in Springfield, Decatur, Bloomington, Joliet and some other cities, to show that it is the prevailing custom to lay water mains to the public improvement account. In Bloomington about 20 per cent of the cost is paid from the general fund.

Some figures on the approximate cost of laying water mains were given, based on estimates made by Alderman Chapin. In his opinion a 6 inch water main will cost laid \$1.25 to \$1.50 per linear foot. This is the cost for the pipe, the lead and jute, the excavating and court costs. For 4 inch pipe the total cost is estimated to be about \$1 per foot. These figures, however, do not include the cost of valves and hydrants.

Figures Presented

Figures were presented by Mayor Crabtree to show that there are now about 1,750 users of water in Jacksonville. The receipts for the present year show a substantial increase over the same months in 1920. There has been an increase each month, the largest increases being in April and May. For the first five months of 1920—that is, from January to May—the total receipts were \$16,326.35. For the first five months of 1920 estimate being made as to part of the May receipts, the total is \$19,412.70, showing an increase in receipts for the five months period by comparison with last year of \$3,086.35.

Among the streets mentioned where water mains are needed and have been requested by property owners are Dunlap street from North Main to North East; Washington from North Main to North East; South Mauvaise from College to Franklin; Clay avenue from Superior to Michigan; Edgemore street from South Main to Church street; Edge Hill road from Diamond street west; Cass avenue from Lafayette to Independence avenue.

In the general statement Mayor Crabtree gave some figures to show that the cost of the water system of Jacksonville is about \$518,000. Some of the details presented were as follows:

Inventory of Water Plant
Land on which Mauvaise Lake is located \$135,000
Land, 65 acres, Morgan Lake 18,000
Land, 40 acres, State 12,000
Land, Filter and Power Plant location 2,000
Dam 60,000
Stand Pipe 2,000
Reservoir and Grounds 25,000
Filter Plant 70,000
Water Mains, 32 miles, 179,000
Pumps and other machinery 15,000

Total Estimated Cost of Water Plant \$518,000
207 Hydrants invoiced \$24,152

Deaths

DeBauernfield
Edward DeBauernfield, a well known resident of the city, died at his home, 502 East College avenue at 12:30 o'clock Tuesday afternoon. He had been in poor health for several months.

Decedent was born in Bay City, Mich., November 4, 1860. He was united in marriage December 8, 1902, to Sarah M. Newby, who survives together with one daughter, Mrs. Lloyd Reid of this city. He also leaves three sisters, Mrs. Fannie Keintz, Chicago; Mrs. M. H. Weiss and Mrs. Rose VanDerveer, Wilmington.

Mr. DeBauernfield was a cigar maker and for many years he was engaged in the manufacture of cigars in this city. Some years ago he retired from active business life. He was a member of ILLAD Lodge No. 4, L. O. O. F., and held the high regard of many friends in the city.

Funeral services will be held from the residence, 502 East College avenue at 4 o'clock Thursday afternoon in charge of the Rev. Ray Ragan. Burial will be in Diamond Grove cemetery.

Laughary
Charles Laughary, well known farmer, died at 9 o'clock Tuesday morning at his home about ten miles northwest of Jacksonville.

Mr. Laughary was born October 24, 1865, the son of Arthur and Mary Laughary. Though he had spent most of his life in agricultural pursuits, he was for fourteen years in business in Aragonville. He was a member of the Baptist church. He was married to Edna Barbour, and is survived by his wife and two daughters, Goldie and Marie, now Mrs. Charles Brainer and Mrs. Henry Brainer, respectively. One brother, Marion Laughary of Kansas, also survives.

The decedent had been a survivor for three years, and had undergone several operations.

Funeral services will be held at the home of Alva Campbell in the southeast part of town Tuesday. A horse which was grazing on the lawn stepped upon the eastern covering and the boards gave way, the animal falling head first into the opening. About a dozen men were engaged in the work of removing the horse from the eastern. A trench was dug at one side, a part of the wall removed, and the horse finally excavated not must the worse for the happening.

NOTICE TO WATER CONSUMERS

Water will be shut off on

East State street from Square to Illinois Avenue and on East College avenue from South Main street to Hardin avenue this afternoon from 1 to 5.

W. H. COBB, Water Supt.

Funerals

Ingalls

Funeral services for Mrs. Edith Montgomery Ingalls were held from the Reynolds Chapel at 2 o'clock in charge of the Rev. J. F. Langton, rector of Trinity church who also conducted services at the grave.

There were many beautiful floral offerings and these were cared for by Misses Mary L. Maher, Alice Pierce, Helen Reaugh and Dorothy Reaugh.

Burial was in Jacksonville cemetery the bearers being, Henry Hamlett, Henry Straw, Fred Henry, Samuel Henry, Jr., Lawrence Henry and Joseph Montgomery.

GREATER HOSPITAL FACILITIES PLANNED

OUR SAVIOR'S TO ERECT MODERN BUILDING

Full Details Not Known Here But Contract Has Been Let to Peoria Firm—Funds Ready for Expenditures in Excess of \$250,000.

While no official announcement has been made of the fact and some details are lacking, it is nevertheless known that a very extensive rebuilding program will be carried out at our Savior's hospital in this city this year. Our Savior's hospital is in charge of the Sisters of the Holy Cross and is one of a number of hospitals owned and conducted by that order. The mother house is at Notre Dame, Ind., and it is there that it is understood the contract was let recently to Jobst & Son of Peoria for the construction of a new hospital building.

It is understood that the plans call for an expenditure of between \$250,000 and \$300,000, and that all the necessary financial arrangements have been made. It has been known that the hospital plans for the building were delayed by the war and by the subsequent period of high prices. Now, however, the management feels that the construction costs are near enough to normal to justify the letting of the contract.

Sister Felicia, head of Our Savior's hospital, is now in South Bend attending to some of the final details in preparation for the building.

It is understood that it is not quite definitely settled whether the new hospital will be an addition to the present building or located upon a new site. The plans to the present building or located upon a new site. The plans call for a four story building, built of brick and concrete, and following the most modern ideas of hospital architecture and equipment. While, as indicated, there are some unfinished details in the plans, the work on the hospital

will actually commence in the course of a very few weeks.

It is known that the Sisters have thru the years accumulated a fund which will go far toward paying for the new structure and that for the additional money necessary they are able to draw temporarily from a general fund.

Our Savior's hospital already holds high rank among the hospitals in this part of Illinois and larger hospital facilities will add to the good name of the institution.

AMERICAN LEGION HAD SOCIAL MEETING

Members of the local American Legion post held a regular social meeting Tuesday evening at the old Elks club rooms. There was only a fair attendance but the evening was thoroughly enjoyed by those present. The committee on headquarters reported that arrangements had practically been completed for leasing the third floor of the Myers Bros. building on the north side of the square for American Legion meetings. A committee was appointed to purchase furnishings for the new headquarters and it is the expectation that a suitable meeting place will soon be in readiness.

At the close of the brief business session substantial refreshments were served and then came an informal program and a social hour.

BIG FIELD OF WHEAT

Norman Deweese was in the city yesterday, having just returned from Greene county where he has been for the past week assisting his son in the harvesting of 110 acres of wheat.

The work of the Woman's Christian Temperance Union has not changed. It will always remain the same; that is, to educate our boys and girls against the evils that surround us. Women, we have worked so hard for almost fifty years to get prohibition written into the constitution of the United States. God has blessed our efforts. Now we must work hard to keep it, by working for law enforcement. This must be done by educating public sentiment for justice and right. We are working hard to gain a million members that we may be a powerful organization for right. Won't you join us that your boys and girls in future years may say that my mother wore the white ribbon which stands for purity."

Many thousand acres of grain cut with Fordson Way? Because the Fordson pulls the binder at the right speed and does the job quicker. We are getting phone calls for Fordsons. Let us hear from you.

ICE CREAM SOCIAL IS GIVEN AT WOODSON

Members of the Sunday school classes of the Woodson Christian church taught by Mrs. Nettie Ezard and Miss Juanita Harney gave an ice cream social Tuesday evening on the lawn at the home of Dr. G. W. Miller. There was a large crowd present and the patronage liberal and consequently a good sum was realized. The social was planned to defray the expenses of a treat given to all who had part in the recent Children's day exercises at the church.

These hot, long days in the harvest field make you long for a Fordson. Come in or call us up and talk it over. Open evenings and Sundays. Both phones 331.

W. C. T. U. INSTITUTE HELD IN THIS CITY

Arrangements Made for County Convention — Two Excellent Papers Presented.

The annual institute of the Morgan County W. C. T. U. was in session at First Baptist church Tuesday. Mrs. L. F. Berger of Meredosia presided in the absence of Mrs. James Rice. Committees appointed included the following:

Membership — Mrs. Eva Hyde; literature — Mrs. Charlotte Gray; press — Mrs. James Galloway; courtesy — Mrs. H. B. Daniels.

It was decided to hold the county convention in Meredosia in September. Two excellent papers were read, one by Mrs. B. R. Tedrow, president of the Pike county Union, and the other by Mrs. James Galloway, who is the county treasurer of the Union organization.

The following resolutions were adopted in respect to the memory of Mrs. Mary Blunt, Mrs. Sarah J. Cocking and Mrs. Virginia Daniel:

"Whereas the Lord in His divine providence has seen fit to remove from our midst our beloved sisters, Mrs. Mary Blunt, Mrs. Sarah J. Cocking and Mrs. Virginia Daniel, we express as an Union an appreciation of their long years of faithful service, given to the great cause of temperance; and in consideration of that service we who are left are earnestly resolved to follow the slogan as given by our national president, Miss Anna Gordon, 'Carry on'."

Mrs. Tedrow had for her theme "Woman—the guardian of national Life." In this very excellent paper the writer paid a fine tribute to the influence of women, basing the statements upon the facts of history. In conclusion she said:

"The work of the Woman's Christian Temperance Union has not changed. It will always remain the same; that is, to educate our boys and girls against the evils that surround us. Women, we have worked so hard for almost fifty years to get prohibition written into the constitution of the United States. God has blessed our efforts. Now we must work hard to keep it, by working for law enforcement. This must be done by educating public sentiment for justice and right. We are working hard to gain a million members that we may be a powerful organization for right. Won't you join us that your boys and girls in future years may say that my mother wore the white ribbon which stands for purity."

Social Events

Woodson Woman's Club Met Tuesday.

The Woodson woman's Club met Tuesday afternoon at the home of Mrs. William Colton, Mrs. Colton and Mrs. Steinmetz being the hostesses. The following program was given, with "Birds" as the general topic:

Roll call—Some bird habit, Paper, "Birds Classified" — Marguerite Steinmetz.

Paper, "Interesting Things About Birds" — Mrs. William Colton.

Reading, "Courtship of Birds" — Mrs. Luella Henry.

About fifteen members were present at the meeting.

Philathena Class Has Picnic

The Philathena class of the Central Christian church had a picnic supper last evening at Nichols Park in place of the regular monthly meeting. Each member of the class took something good to eat and a fine supper was served at six o'clock.

After supper the regular business meeting was held. Miss Mary Dewesee, teacher of the class was in charge of the arrangements and she was assisted by Miss Ruth Henderson and Margaret Coffman.

Charming Party Given By Miss Dunlap

A charming informal garden party was given last evening by Miss Ollie Dunlap at her home at Dunlap Springs. It was called a "cousin party" because the guests were all cousins. Honor guests at the affair were Mr. and Mrs. Wallace Christie of Chicago and Mrs. Lou Parker of Kansas City, who are visiting at Miss Dunlap's home.

Dainty refreshments were served out in the garden in the course of the afternoon. The guests at the affair included Mr. and Mrs. Fred Beggs, Mr. and Mrs. Parker Doane, Mr. and Mrs. E. M. Dunlap, Mr. and Mrs. R. I. Dunlap, Miss Carter Dunlap, Mr. and Mrs. W. T. Wilson, Mr. and Mrs. Howard Doane, Miss Mabel Reid, Miss Mamie Dunlap and Miss Nora Dunlap, Dr. and Mrs. A. B. Applebee and Mr. and Mrs. John Russell, all of this city.

Grace Church Men Hosts to Ladies

The members of the Men's Bible Class of Grace M. E. church were at a big picnic given last evening at Nichols Park. Their guests were their wives, the members of Mrs. Harriet Nelson's class and the members of Mrs. R. A. Gates' class.

All the arrangements were in charge of the men. They prepared a sumptuous picnic supper and the only thing required of the ladies was "to come and be pleasant." The ladies admitted that the fine supper was as excellent as any prepared by the best of cooks.

The people went out to the park in cars about 5:30 o'clock and supper was served at six. A very enjoyable evening was spent at the park after supper. Howard Cully was the chairman of the committee for this successful affair and he was assisted by Fred Hopper and C. E. Williamson.

Home Missionary Society

The June meeting of the Woman's Home Missionary society of Grace church was held with Mrs. Dawson, 141 Webster avenue on Tuesday afternoon. Mrs. R. Shoemaker who was elected president at the beginning of the year at this time found it possible to act as president for the remainder of the year instead of Mrs. E. C. Lambert who will not be in the city for the summer months.

Mrs. James I. Graham led the devotions in a capable manner. Miss Edna Osborne who is one of our Grace church girls, expects to teach in Bennett Academy in Mississippi during the coming winter. This fact was referred to with much pride and it was the wish of the auxiliary that the Bennett Academy be included in the budget of the society for the coming year.

Mrs. Grant Graff reported that all the pledge has been paid and a total of 141 members have paid dues for this year.

Mrs. Sydney Jones, secretary of the children's work, reported 48 jewels and 10 home guards; also 30 subscriptions to the Children's Home Missions.

Reports from the recent district convention at Virden were given by Mrs. Sydney Jones and Mrs. Charles Hopper.

Special music was given by Mrs. Wolfman and Mrs. Charles Hopper with Mrs. J. Edgar Martin at the piano. At the social hour delicious refreshments were served by Mrs. Dawson assisted by Mrs. J. H. Dial, Mrs. Dixon, Mrs. James Cook, Mrs. J. R. Davis and Mrs. William Ellis.

The July meeting will be with Mrs. Rowe, assisted by group ten.

WITH THE SICK

Mrs. Charles Wolke was confined at her home on Edgmon street yesterday by illness.

Lauriano Sanchez, who has been a patient at Passavant hospital following a railroad accident, was able to return to Carrollton yesterday.

Many thousand acres of grain cut with Fordson Way? Because the Fordson pulls the binder at the right speed and does the job quicker. We are getting phone calls for Fordsons. Let us hear from you.

The Thursday social club will meet with Mrs. James Rice on 502 South Prairie street. All members are requested to be present.

INSPECTED HARD ROADS IN VERMILLION COUNTY

Morgan County Men Interested in Work Done There—Most Hard Roads Ten Feet Wide

Members of the county board, Messrs. Wheeler and Osborne, with County Superintendent of Highways Baldwin and W. L. Alexander had an interesting visit in Danville yesterday, where they went to get some first hand information about the hard road work being done there. Mr. Baldwin in talking about Vermillion county conditions, said yesterday that a great deal of the extensive mileage of hard roads in that country have been constructed with pavement ten feet wide. Most of these pavements are of brick and then a shoulder of concrete two or three feet wide is laid on each side. This plan was adopted because it is possible to lay a much more extended mileage than would be true with the roadways of eighteen feet.

It will be remembered that back in 1914 Vermillion county blazed the way in hard road construction by authorizing the bond issue of \$1,500,000 for road construction, the understanding being that later on the state will reimburse the county for the money thus expended.

As a result of this pioneer work, supplemented by hard roads which the state has provided, the county now has something over 160 miles of hard road and the contract is let for 40 miles more.

Mr. Baldwin made reference to the terms of the Holaday road bill by which the state is given authority to aid counties in a much more liberal way than before, and expressed the belief that something will be accomplished in hard road construction this year in Morgan county.

ORLEANS COUNTRY CLUB HELD PICNIC

Members and Guests Enjoy All Day Event at Home of Mrs. W. H. Hinrichsen in Alexander.

Members of the Orleans Country club held their annual picnic Tuesday evening at the home of Mrs. W. H. Hinrichsen of Alexander. There were more than seventy-five persons present, as each of the members was privileged to bring a guest and the hostess had invited seven guests.

An elaborate luncheon was served at 1 o'clock, the menu including chicken a la king, potato chips, combination salad, brown bread, rolls, olives, ice cream, cake, coffee and bon bons. The luncheon was in charge of the domestic committee, which included Mrs. George Holley, chairman; Mrs. William Cleary, Mrs. Clark Stevenson and Mrs. William Arnold.

In the afternoon several contests furnished amusement for the guests. Mrs. Harry Rice and Mrs. Frank Drury tied for the honors in the literary contest; Mrs. Harry Rice was the prize winner in the question contest and Miss Ada Vasey was awarded the first prize in the educational contest. Mrs. Henry Miner of Waverly was to have given a reading but was unable to be present on account of road conditions. The entertainment committee included Mrs. W. T. Scott, chairman; Mrs. Edward Tindall and Mrs. James Dobyns.

The youngest guest was Master George William Cox, four weeks old son of Mr. and Mrs. Ivan Cox, and he was naturally the center of an interested group throughout the afternoon.

Among those present as guests of the hostess were Mrs. Fred Neal, Mrs. Lester Gray, Mrs. Clyde Beepur, Mrs. Joseph Zelar, Mrs. J. W. Reif, Miss Mary Reif and Miss Anna Colwell, all of Alexander; Mrs. Homer Culy, Mrs. Henry Strawn, Mrs. John Lukeman and daughter Dorothy, all of Jacksonville.

The management has engaged Dunlap's orchestra to play at each performance.

During the time the theater has been closed a number of improvements have been made. The stage curtain has been repainted, with new signs placed upon it; the entire place has been cleaned; and numerous electric fans have been installed.

Thomas Headen, late of the New Majestic theater of Edwardsville, will assist in the active management. Mrs. Jed Cox will be cashier of the box office. Mr. Wright's connection with the theater will not affect his operation of the People's Furniture company store.

FRANKLIN YOUNG PEOPLE WED IN SPRINGFIELD

Franklin, June 21.—The marriage of Fred Miller and Miss Dorothy Scott, both of Franklin, took place in Springfield Saturday evening. The bride is a daughter of Mr. and Mrs. Curtis Scott, well known residents of this community. She was a teacher in the Franklin grade school the past year and was very successful in her work. The groom is a son of Mr. and Mrs. Fred Miller, also prominent in the Franklin community.

Mr. and Mrs. Miller will make their home in Franklin and will have the best wishes of their many friends.

Dr. Louis Day was up to the city from Winchester yesterday.

LENINE STILL HOLDS FAITH OF RUSSIA

Returned American Flyer Says he Is Most Popular Man in Russia—Holds Confidence of Peasant and Workingmen.

RIGA, Latvia.—(By A. P.) Lenin's personality and the faith most Russian peasants and workingmen have in him, despite their dissatisfaction with conditions under which they are forced to live, is perhaps the one big factor that holds the Bolshevik regime in power, says Captain M. C. Cooper, of Jacksonville, Fla., who escaped from a prison near Moscow. Captain Cooper was flying for the Polish army when made prisoner in July, 1920.

This, said Captain Cooper, is not hard to understand for Lenin's pictures have been distributed everywhere. Travellers in Russia will see two of his pictures for every one of Trotzky.

Regarding the "Tcheka," which with its manifold branches and subdivisions that stretch out like the tentacles of an octopus into every village, forming a combined supreme court, detective department and spy system, which has powers of life and death to "com-

bat counter revolution," Captain Cooper said:

"The 'Tcheka' has every one terrorized. The saying is that one in every four persons is a member of it or some other sort of a spy. One of the Russian officers with whom I was imprisoned and who has been informed that he was to be released told me he was afraid to go home, as he had four children, and was afraid one of them might be a spy."

POLISH ARTIST MAKES TABLET FOR POE'S GRAVE

Paris.—(By A. P.)—Count de Bryen Kuhn, young Polish artist, poet and archeologist, will place a bronze tablet executed by himself to the memory of Edgar Allan Poe on the American poet's grave June 25. The tablet is the gift of more than 2,000 literary men and women of France, members of the French Literary Society and the Alliance Francaise, and bears the inscription "To the Memory of Edgar Allan Poe, eternally dear to the hearts of his French friends this small tribute to his genius is dedicated."

The Count, who is an enthusiastic sportsman, has been requested by several athletic clubs to present Georges Carpenter with a French flag in the event of his defeating Jack Dempsey in the heavyweight championship bout.

WILL GIVE CYCLE OF DRAMATIC ART

One Thousand Actors and Actresses Will Appear in Plays in New York City.

NEW YORK.—A plan that is proposed to make this city a center of the dramatic activities of the world by bringing more select performances covering the cycle of dramatic art, has been inaugurated here.

The project, which already has passed thru initial organization steps, proposes an Equity Festival Week, in June 1922, an American prototype of the famous Stratford-on-the-Avon Festival, which attracts thousands of theatre lovers back to England every spring. Announcement of the festival was made by the actors' Equity Association, which is sponsoring the movement.

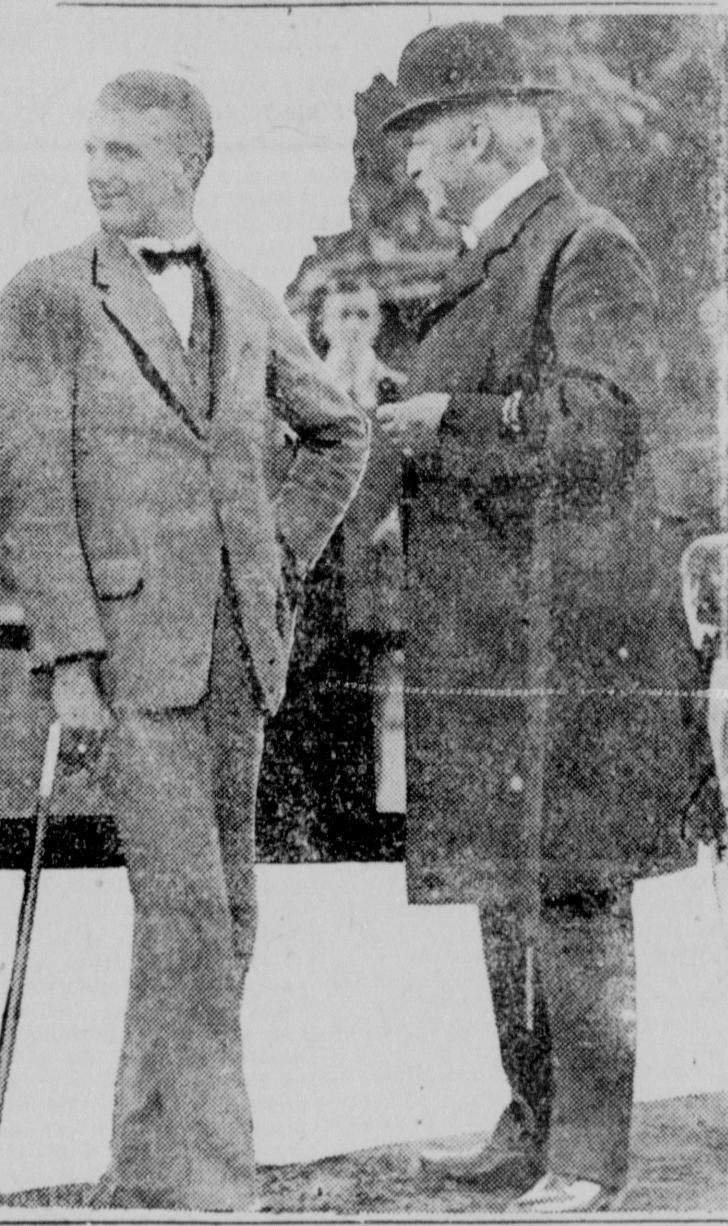

This event is expected to exceed by far the English festival. Whereas at Stratford only Shakespearean drama is produced with a small professional stock company, the American festival will produce the best plays of every country and age with casts which would bankrupt any manager over night. Leaders of the movement announced, "It is not our desire to compete with any managers, but rather to help him make his theater bigger and better by awakening the public imagination.

"Our week will include three plays of Shakespeare, comprising one of his best known comedies, one of his most famous tragedies and one of the lesser known group whose glories are little understood because they are so rarely produced. The other performances will include the best plays of all nations and periods—Moliere, Calderon, Sheridan, Pueblo, Racine, Ariophanes, Beaumont and Fletcher, Rostand, Marlowe and so forth. We shall give one of the great musical comedies, one per-

PLAN BRIDGE ACROSS SAN FRANCISCO BAY

Would Relieve Congestion Between San Francisco and Oakland, Berkeley and Other Points

SAN FRANCISCO.—San Francisco's "Chinese Wall" as some have called the waters of San Francisco bay which separates this peninsula city from the continental mainland of Alameda county, is to be crossed according to plans announced here recently. All the plans called for a bridge across the bay, with one scheme proposing a tube to Yerba Buena Island, half way across, and a bridge the rest of the distance.

Bridging the bay would, it is claimed, bring closer together the city of San Francisco with the cities of Oakland, Berkeley, Alameda and other points on the continental side of the metropolitan area. Daily, hundreds of thousands of people, who live across the bay cross on the ferries and generally on Sundays and holidays, the ferry systems cannot keep up with the crush of automobiles seeking passage across.

CHINCH BUG FIGHTERS
The LaCrosse Lumber Co. will handle a carload of creosote for the Farm Bureau Tuesday and Wednesday. This is the best material for chinch bug barriers. If interested help us to save expenses by getting what you need directly from the car.

Farm Adviser.

TELLS OF ORIGIN OF DRINKING TOASTS

NEW YORK.—(By A. P.)—The origin of drinking toasts was defined by Stuyvesant Fish, banker, one of the eleven survivors of the class of 1871 of Columbia University, as toastmaster at the annual Alumni luncheon the other day.

"What is a toast?" he asked, adding, "One of the books published before we lost our liberty to restrain our own appetites says:

"The toasted biscuit, the long since disused as an ingredient of punch, formed, from a very early period a favorite addition to many old English drinks."

"Promising that in the reign of Charles II, it was the fashion for ladies, attired in dresses made for the purpose, to bathe publicly in the City of Bath, the origin of toasts is thus told.

"It happened, on a public day,

a celebrated beauty was in the Cross-Bath, and one of her admirers took a glass of the water in which she stood, and drank her health to the company. There was one in the place, a gay fellow, who offered to jump in and swore that he liked not liquor; he would have the "toast." He was opposed in his resolution; yet this whim gave foundation to the present honor which is done to the lady we mention in our liquor, who has ever since been called "Toast."

"Thus we see," Mr. Fish concluded, "that the origin of toasts was, like that of all things human—feminine and also aqueous. May these facts excuse me for being accessory to the commission of that which our fathers considered the unforgivable sin—drinking toast in cold water."

MEN'S PALM BEACH SUITS—genuine Palm Beach label. Cannot be equaled. Only \$10.75.

OLD JACKSONVILLE THE WESTERN SKETCH-BOOK

(BY ENSLEY MOORE)
Member Illinois State Historical Society

Two or three times lately, the O. J. man has referred to the Rev. James Gallaher's book, of which the title is given above. It was not written, or immediately, about this place, but much that is referred to in it had a vast influence in shaping the conditions under which we now live. The book had this formidable imprint:

"Boston:
Published by Crocker & Brewster
New York: M. W. Dodd,
Philadelphia: William L. Marten
1850."

No better way of showing its subjects can probably be utilized than by transcribing the table of contents. The subjects were named and treated in the manner of the days three score and ten years ago, and may seem queer to some readers. But the handling of the subjects shows they were well chosen, and is very interesting

"Contents"

Introduction,
The Honey Bee,
The Great Western Revival,

Patriotic Song of the Tennessee,

As shown in this index, first of all comes the

"Introduction"

I stood on the bank of the Mississippi, and gazed upon the rush of its mighty stream. Wave upon wave; and the broad tide, with a force that no earthly

man could withstand, swept onward to the ocean. "Great river!" I exclaimed, "hast thou rolled on thus from age to age? Hast thou maintained this majestic stream through the lapse of more than fifty centuries?" Then what is the history of this immense country on the borders? What people gazed upon thy stream three thousand years ago? Were there then intellectual beings here, to adore that mighty God who dug thy deep channel and spread out at thy sides these broad, fertile plains, and covered thee with the bright blue heaven?" Such were the questions that arose in my mind; but there was none to answer. I looked back on the past history of the West. But, beyond the period of sixty or seventy years, there sets in a thick, impenetrable darkness—"even darkness which may be felt"; and all is, to us, buried in the gulf of hopeless oblivion. Events that transpired then, however interesting they may have been, are irrecoverably lost; no effort of ours can call them back, or secure for them a record on the pages of memory.

Another question arose: "Will the man who stands where I stand now, a hundred or a thousand years hence, experience the same desire to know the early history of the mighty West?" x x x The answer is clear: "He will." Then I am resolved to "gather up the fragments," not already lost, of the history of the West, and preserve them.

"That ages yet unborn may read, And trust and praise the Lord."

The West is, as yet, only an infant. But this infant possesses the elements of a fearful and stupendous growth. Ere long, the inhabitants of the world will open their eyes, and with astonishment behold a giant standing here. His height will be terrible, and his power such, that earth's foundations will bend beneath his footsteps; and at the lifting of his hand distant nations will tremble.

Yes, the teeming millions of a crowded population will soon spread over this wide and wonderful region. The banks of these long rivers will be studded with "cloud cast" towers and gorgeous palaces"; and religion, and education, and science, and cultivated society, will be here, to an extent that earth has not witnessed in ages that are gone. In that day, the mighty population of the West will eagerly inquire after the early history of their country. x x x A prophet has not Gallaher already become?

MURRAYVILLE NEWS
ITEMS OF INTEREST

Mr. and Mrs. William Wade Entertain Sunday—Miss Bess Haynes Returns From Vacation—Other Items.

MURRAYVILLE, June 21.—Mr. and Mrs. S. F. Sooy and daughter Norlyne, Mrs. Martha Haynes, Mr. and Mrs. E. M. Jennings and daughter, Mrs. Haynes nephew, Russell Jennings, at Hettick, Wednesday.

Mr. and Mrs. Warren Jones and daughter, Virginia, were guests Sunday of Mrs. Jones' parents, Mr. and Mrs. James Andell of Winchester.

Miss Leona Haynes has spent the past two weeks with relatives near Virden and Nilwood.

C. S. Blakeman of Springfield spent Sunday with home folks here. He was accompanied back to Springfield by his son, Earl, for a two weeks' vacation.

Mr. and Mrs. Peter Roberts and son, Russell, Mr. and Mrs. Oliver Cox and daughters, Grace and Lillian of near Franklin were entertained Sunday at the home of Mr. and Mrs. William Wade.

Albert Hayes and family and George Hayes and family were visitors in Alsey Sunday afternoon.

Misses Helen and Hazel Blakeman returned home Saturday from a two weeks' visit with their brother C. E. Blakeman and family in Normal.

Quite a number from here attended the tent meeting in Jacksonville Sunday.

Miss Bess Haynes returned home Saturday from a two weeks' stay at the home of Mr. and Mrs. Arlie Jenkins near Palmyra. Her place in the telephone office was filled by Miss Norlyne Sooy during her absence.

Mr. and Mrs. Emmett Braswell of near Nilwood, were guests Sunday of the former's sister, Mrs. John Smith and family.

Among those who went from here on the excursion Sunday were, Mr. and Mrs. E. K. Fuller, Miss Lucile Pennell, Ralph Crouse, Claude Dobson, Frank Kennedy and Frank Jones.

The Young Woman's Missionary society will have an ice cream social Thursday evening, June 23rd on lawn at the home of Mr. and Mrs. Warren Wright. Home made candy, cakes and popcorn will also be for sale, and friends wishing to donate any of these articles will be greatly appreciated by the ladies. Music will be furnished by the orchestra. Everyone invited.

Mrs. John Blakeman and daughters, Esther and Adelia of Manchester were guests Friday of Mrs. N. A. Blakeman and daughter, Miss Ada.

Mr. and Mrs. Arthur McDevitt of

Daily Market Report**PRICE OF WHEAT**

TAKES A JUMP

CHICAGO, June 21.—Drought
in the domestic spring crop belt
and also in France did a good deal
to stimulate buying of wheat to-
day, and cause prices to ascend.
The market closed strong, 2½ to
4¢ net higher with July \$1.28½
to \$1.29 and September, \$1.23½
to \$1.23. Corn gained 1 to 1½
and oats 4 to 1¢. In provisions the
outcome was unchanged to 2¢c
higher. Bullish sentiment in the
wheat market was given its first
impetus by a leading authority re-
ported from Aberdeen, S. D.,
that fields were faring badly and
that in some places the crop had
been destroyed by drought. He
asserted also that wheat was
heading very short and would not
recover with rain. The fact that
the New York market was rally-
ing from yesterday's acute weak-
ness tended further to lift wheat
values which in the late dealings
derived strength to a much
greater degree from gossip that
drought prevailing in France was
the worst since 1883.

In this connection talk was cur-
rent too that exporters were after-
ward wheat in volume. Mean-
while disappointing threshing returns
continued from the southwest and
from Illinois, Indiana and Ohio and
it was generally admitted that
the movement of new wheat
was slow in getting under way.
Apprehension of damage by
drought was largely responsible
for the strength of corn and oats
as well as of wheat.

Provisions averaged higher
with hogs and grain.

SHIPPINGS, motor and motor ac-
cessories were only moderately
benefited. All foreign exchanges
were reactionary. Liberty bonds
were irregular.

CHICAGO LIVESTOCK
(By The Associated Press)

Chicago, June 21.—Cattle —
Receipts, 8,000. Dry fed steers
and she stock strong to 1½ high-
er. Grassers, bulls, stockers and
feeders steady; top beef steers,
\$9.10; weight, 128½ pounds; five
head, \$9.25; weight 118½ pounds;
bulk, \$7.25 to 8.50; fat cows and
heifers, \$4.50 to 6.00; canners and
cutters largely \$2.00 to 3.50; bulk
bulogna, \$4.25 to 4.50; butcher
bulbs, mostly \$5.25 to 6.25; veal
calves, 25 to 50¢ higher; bulk
around \$9.50.

Hogs — Receipts, 30,000. Ac-
tive, better grades 25 to 35¢ higher
than yesterday's average; others
15 to 25¢ higher. Closing
barely active. Holdovers moder-
ately held off market; top
beefers steady; top beef steers,
\$8.80; bulk, \$8.40 to 8.75; pigs,
10 to 25¢ higher, bulk desirable;
\$8.25 to \$8.40.

Sheep — Receipts, 8,000. 35 to
50¢ higher. Idaho lambs, 13.00;
prime native lambs to city butch-
ers, \$12.60; packer top, \$12.75;
bulk native lambs, \$12.00 to
12.50; top native yearlings, \$10;
wethers, \$5.75; few choice light
ewes to shippers, \$5.25; bulk fat
ewes, \$3.50 to 4.25.

CORN — Receipts, 3,000. 1½ to
2½ higher. Idaho lambs, 13.00;
prime native lambs to city butch-
ers, \$12.60; packer top, \$12.75;
bulk native lambs, \$12.00 to
12.50; top native yearlings, \$10;
wethers, \$5.75; few choice light
ewes to shippers, \$5.25; bulk fat
ewes, \$3.50 to 4.25.

SEED CORN — We have had a
wonderful season at Mason City.
This year for maturing seed corn
we have the finest lot of well dried 1920 crop
of seed corn that we have ever
grown. This corn is gathered
early in the fall and placed on
drying racks where it is slowly
dried down to twelve or fourteen
per cent moisture content. This
gives corn of very high vitality.
We have been in the seed corn
business in a large way for over
thirteen years and have the largest
and best equipped drying plant in the world. Our down
town plant is in the center of Mason
City, right on the hard road
between Springfield and Peoria.
It is well worth a trip to Mason
City to see this corn. Price is
only \$3.50 per bushel. Write for
beautifully illustrated catalogue.
P. T. Thompson, Referee in Bankruptcy.

STOCK MARKET'S
DESCENT CHECKED

CHICAGO, June 21.—The stock market's continued descent
was checked today after a brief period of weakness in which United States Steel was conspicuous. Many leading shares recorded extreme recoveries of 1 to 5 points. Further easing of money rates and a growing conviction that the extended reaction had exceeded the bounds of caution were among factors which prompted hurried covering of short commitments. There was little to indicate more than tentative public participation. Sales amounted to 1,000,000 shares.

For the first time since October, 1919, call money opened and remained at five per cent on the exchange. In the open market and on prime collateral this quotation was shaded by one-half to a full one per cent.

Leaders of the rally comprised investment rails such as Canadian Pacific, Northern Pacific, Great Northern, Union Pacific, Mexican Petroleum, General Asphalt and numerous junior oils, Crucible Steel, American and Baldwin, International Harvester and General Electric.

Shipments, motor and motor accessories were only moderately benefited. All foreign exchanges were reactionary. Liberty bonds were irregular.

**NEW LAW TO HELP
ROAD BUILDING**

Holiday Law Gives Broad Powers
to State in Relation to Road
Machinery and Construction.

As previously indicated, the Holiday bill passed by the last general assembly, which is an amendment to the state law on roads and bridges, is one of the most important measures passed by the assembly. It gives broad and specific powers to the department of public works in order to press forward the work of hard road construction. The text of the law is as follows:

Section 1. Be it enacted by the people of the State of Illinois, represented in the General Assembly: That the Department of Public Works and Buildings of the State of Illinois, be, and it is hereby given full power and authority to construct certain durable hard surfaced roads, including necessary bridges, upon public highways of the state, and to construct said roads under its own immediate supervision, direction and control, or under such supervision, direction and control of counties of the state, as may be delegated to such counties by said department, and power to make such delegation is hereby conferred on said department, subject to the approval of the governor of this state, or under contracts, for such construction, to be let on terms and conditions prescribed by said department.

Sec. 2. That counties of this state, acting through their county boards, be, and they are hereby, authorized and empowered to take what ever steps may be necessary to enable such counties to aid the state in the construction of the durable hard surfaced roads provided for herein.

Sec. 3. That said Department of Public Works and Buildings is hereby given full power and authority to purchase and supply for its own use, or for the use of any county aiding the state in the construction of said durable hard surfaced roads, any labor, tools, supplies, materials, machinery and road building equipment needed for the construction of said durable hard surfaced roads, and also to advance funds to counties so aiding in the construction of said durable hard surfaced roads in order to enable such counties to purchase and secure, under the direction and with

the approval of said department, the necessary labor, tools, supplies, materials, machinery and road building equipment needed for said work.

Sec. 4. That said Department of Public Works and Buildings is hereby given full power and authority to make any necessary arrangements with counties of the state to enable such counties to aid the state in the construction of said durable hard surfaced roads, or to let contracts for the construction of such durable hard surfaced roads to such counties, and such counties, acting through their county boards, are hereby authorized and empowered so to aid the state in such work, and also to bid on and enter into such contracts with said Department of Public Works and Buildings: Provided, however, that prices bid by and paid to counties for such work shall in all cases be less than the prices bid by private contractors for similar work; and provided, also, that counties shall aid in the construction of only those roads which lie within their own boundaries.

Sec. 5. That the durable hard surfaced roads, or any parts thereof, mentioned herein, shall be constructed under plans, specifications and estimates of cost furnished and approved by said Department of Public Works and Buildings; that wherever counties aid in the construction of such work, said work shall be done under the direction and subject to the approval of said department, and on terms mutually agreed upon by said department and the counties interested therein; that the durable hard surfaced roads, herein mentioned, shall be constructed in accordance with the provisions of, and upon and along the routes mentioned in, an Act of the General Assembly of the State of Illinois, entitled: "An Act in relation to the construction of the State of Illinois of a state-wide system of durable hard surfaced roads upon the public highways of the state and the provision of means for the payment of the cost thereof by an issue of bonds of the State of Illinois," approved June 22, 1917, and submitted to and ratified by the people on November 5th, A. D. 1918.

Sec. 6. That whenever it becomes necessary in order to secure at reasonable prices road building materials and supplies for use in the construction of said durable hard surfaced roads, said Department of Public Works and Buildings, in its name, be, and it is hereby, given full power and authority to purchase from the owners thereof, necessary roadways, existing gravel pits, sand banks, rock quarries, cement plants, brick plants, or other plants manufacturing, supplying or furnishing road building materials and supplies, and also to purchase lands containing deposits of gravel, rock, sand or other road building materials, or if compensation for any of the above described property cannot be agreed upon, to have such just compensation ascertained and to acquire and pay for said property in the same manner, as near as may be, as provided for in an Act of this State, entitled, "An Act to provide for the exercise of the right of eminent domain," approved April 10, 1872, and the amendments thereto; provided, however, that said Department of Public Works and Buildings shall not be required, in any case to furnish bond.

Sec. 7. That all payments for work done or obligations incurred under the provisions of this Act are hereby authorized to be made, and they shall be made by the State Treasurer out of any funds appropriated and set aside for road building purposes, upon warrants drawn by the Auditor of Public Accounts, based upon bills of particulars and vouchers certified by the proper official of said Department of Public Works and Buildings, having knowledge of the facts upon which such vouchers are based, and audited and approved by the Superintendent of Highways and the Director of Public Works and Buildings, and approved by the governor, acting through the Department of Finance.

Sec. 8. Whereas, an emergency exists, therefore, this Act shall be in full force and effect from and after its passage and approval.

**BIRTHDAY DINNER
AT HOME IN ASHLAND**

Mrs. Charles Brubaker Celebrates
Birthday Anniversary in Very
Pleasant Manner Sunday.

A pleasant family gathering was at the home of Mr. and Mrs. Charles Brubaker Sunday at Ashland, the occasion being the birthday anniversary of Mrs. Brubaker. Mrs. Brubaker was seventy years old Saturday but the observance took place Sunday. The company numbered about forty relatives and friends of the Brubaker family. They brought along baskets filled with good things to eat and at noon a bountiful dinner was served on the beautiful lawn at Brubaker home. The dinner was served cafeteria style and the menu included ice cream, cake and iced tea in addition to numerous other good things.

The afternoon was spent with music and games and at a late hour the guests departed for their homes, wishing Mrs. Brubaker many happy returns of the day.

The company included Mr. and Mrs. James Stout, George Stout and daughter, Miss Edna, Mr. and Mrs. Ernest Stout, Mr. and Mrs. Edgar Stout and family; Mr. and Mrs. Tilmat Stout and son Randall, Mr. and Mrs. George Flynn, Miss June Flynn, Miss Dawson, all of Jacksonville; Mr. and Mrs. Harry Trotter and two sons, Rowland and Myron of Woodson; Mr. and Mrs. Lloyd Flynn, George Flynn, Prentice; Mr. and Mrs. Walter Bailey, Mrs. Phil Bailey and children, Mr. and Mrs. Milton Smith and children; Mr. and Mrs. Sam Koontz, all of Ashland; Mr. and Mrs. Robert Reid and daughters of Petersburg.

Why Does She Look So Old?

This question has been asked about many a woman under thirty who has married and taken upon herself the care of a house and young children.

When a woman is suffering from female weakness, bearing down pains, head ache and back ache and nervous irritation, it is well nigh impossible to attend to her duties and retain the charm and freshness of youth. Must she then struggle on toward the inevitable nervous breakdown or premature old age?

Lydia E. Pinkham's Vegetable Compound has saved many women from such a fate. Thousands of grateful letters from such women testify to the merits of this wonderful root and herb medicine for female ills.—Adv.

**Compression
Inner Tubes**
sell for more money than the old "bladder type" inner tube, yet they are CHEAPER than the ones you now use.

"The Skeptic cannot Debate-Demonstration." Are you willing to eliminate Tire Trouble? COMPRESSION INNER TUBES used in any good casing will solve your tire worries for TWO SEASONS.

**IS THE HAPPIEST
WOMAN IN TOWN**

Mrs. Kelly of Decatur Suffered Constantly Four Years
—Tanlac Restores Health

"I know I'm the happiest woman in town since Tanlac restored me to health," was the enthusiastic statement made by Mrs. Paul Kelly, of 7761 E. William St., Decatur, Ill.

"I had been a constant sufferer for four years and took all kinds of medicines and treatments, but it didn't seem that anything would ever help me. My digestion was so poor that I had to be careful about everything I ate, and even then I suffered distress. I would bloat up dreadfully and my stomach seemed to stay sour all the time. My nerves were so unstrung that sometimes I almost went into hysterics."

"At times my whole body became cold and numb and I broke out all over in a cold sweat and then I would go into a nervous chill and tremble like a leaf. My kidneys were badly disordered and I suffered a lot from constipation. I fell off in weight, became weak and thin and didn't have any color in my face."

"But this is all over now and I am enjoying good health once more. Tanlac has certainly been a godsend to me and I will never get through praising it. I enjoy my meals because everything I eat digests perfectly and my nerves are as steady as can be. I never have one of those chills now, have been relieved of constipation and my kidneys are in splendid condition. I have gained back my lost weight and just feel so well in every respect that life is a real pleasure again."

Tanlac is sold in Jacksonville by Shreve's Drug Store and all leading drug stores.—Adv.

GARAGE**

THE SERVICE AND
REPAIR GARAGE

—Times are changing. The hurrying, rushing and "stalling" of the half-baked mechanic who has taken the "Sir" out of Service and the "Rep" out of Repair, has about passed.

—As we settled down to rigid economy and more thorough work we can expect better results from repairs.

—We make light repairs or heavy repairs.

—We cannot completely overhaul a job in one day. Don't ask us to do this.

—If you are planning a trip this summer, consult us, and give us time enough to do a first class job so when you start you can at least remove from your mind the worry about weak points in your old car or old tires.

deer bill:

years ago a famous word shooter made a speech and he started out like this. friends romanites and willowtwigs lend me your ears all except you ruff necks in the back what has cauliflower and when the gang got their ears set he told em a mouthful. now bill i wanna barrow them side flappers o youn about a minute to tell you something about rings. thers a lot o different kind some you no all about like telephone rings doorbell rings and weddin rings say bill i betcha still hear the ekoos of the last aforesaid mentioned (yea boy you and me both) most all of em get your goat but the reel died in the wool goat getter is a engine which is supposed to run by explosions in her innards (like they have on a automobile) and the durn thing just splutters and fizzles like a fourth of july fire cracker and when it duz get you gotta pore oil in it by the gallon at a \$1. per and all you get in the way of pleasure is watching the beautiful cloud-like effects what comes out of the exhaust pipe. via of greef you get dirty spark plugs warped valves a lotta carbon no pull on the hills a lotta gas goes to waste and the rest of it to the crank case and the mane cause is the piston rings (ever hear of that kind bill) as i said before there is a lotta different kind (even piston rings) but the one real onest to goodness kind that will cure most of the aforesaid trouble is sold by us and we guarantee em, the feller what makes em calls em TELL-TALE RINGS, i presume because they tell their own story. put em in your car bill and theyell tell you some joyful news.

yours truly,
jack.

S. T. (second think) the only feller i ever heard of who didnt like these rings wuz a left handed red headed cross eyed contortionist who got all twisted up puttin em in and the durn fool got em in upside down. j.
